COMMUNICATION...CONFIDENCE...CORNERS UP

This Student/Family Handbook is a work in progress. This document is the latest edition. Families are responsible for keeping their book up to date.

Philosophy Statement

Our program and facilities adhere to the highest quality standards for education and environment as governed by the regulations and principles of all applicable local, state and federal agencies.

We feel that every child is special and unique. With a low student/teacher ratio, our program provides “hands-on”, center-based activities, along with direct instruction which gives each child the opportunity to grow and succeed.

Mission Statement

The mission of Academy Adventures Midtown is to create an environment where students are able to take charge of the learning by recognizing and building on their strengths.

Accidents

If a serious injury occurs on the school grounds, parents/guardians will be notified and asked to pick up their child from school for personal observation or examination by the family physician. Parents/Guardians will be promptly notified of other injuries. In the event that the parents/guardians cannot be reached, the student will be released to a person named on the emergency card. It is critical that emergency cards be completed and up-to-date.

Admission

Admission is not based on ethnicity, national origin, gender, income level, disabling condition, proficiency in the English language or athletic ability. Academy Adventures Midtown offers a full day Kindergarten program and grades 1st – 5th. Pursuant to A.R.S. §15-828, a certified copy of your child's Birth Certificate other reliable proof of identity and age (including Baptismal Certificate, application for Social Security Number or original copy of school registration records and an affidavit explaining the inability to provide a copy of Birth Certificate) OR a letter from the authorized representative of an agency having custody of the pupil pursuant to Title 8, Chapter 3 certifying that the pupil has been placed in custody of the agency as prescribed by law; immunization records and proof of Arizona Residency be provided for admission.

Assessments, Portfolios & Performance

The faculty and staff use several methods to assess and measure the progress of students. Standardized tests, portfolios, student performance and/or other assessments are used to judge students' knowledge of basic skills and their use of that knowledge. Student performance is assessed as students demonstrate their mastery of knowledge and skills in each subject area.

Attendance & Absences

It is very important to your child's education that he/she attend school on a regular basis. Missed days of school can deter the education process. If your child is absent, please contact the school office as early as possible each day the student is absent. Upon returning to school after an absence, a child must bring a note signed by his/her parent/guardian stating the date of and the reason for the absence. This note must be presented to the office. Notice in advance of absences is appreciated. Parents/Guardians may leave a telephone message followed by a note. Please note that there is a potential of retention if a child misses ten percent (10%) of the school year (approximately 18 days). We really want your child in school all day, every day so that we can do our job to teach them! Also note that tardies and early pick-up add to absences. Four (4) tardies and/or early releases will count as 1 absence.

Attendance Policy

Student attendance is crucial to your child's academic success. Academy Adventures Midtown has a strict attendance policy. Per **Arizona Revised Statute §15-803**:

A. It is unlawful for any child who is between six and sixteen years of age to fail to attend school during the hours school is in session, unless either:

- 1. The child is excused pursuant to section Arizona Revised Statute §15-802, subsection D or section A.R.S §15-901, subsection A, paragraph 5, subdivision (c).*
- 2. The child is accompanied by a parent or a person authorized by a parent.*
- 3. The child is provided with instruction in a homeschool.*

B. A child who is habitually truant or who has excessive absences may be adjudicated an incorrigible child as defined in section A.R.S. §8-201. Absences may be considered excessive when the number of absent days exceeds ten percent of the number of required attendance days prescribed in section A.R.S. §15-802, subsection B, paragraph 1.

C. For the purposes of this section:

- 1. "Habitually truant" means a truant child who is truant for at least five school days within a school year.*
- 2. "Truant" means an unexcused absence for at least one class period during the day.*
- 3. "Truant child" means a child who is between six and sixteen years of age and who is not in attendance at a public or private school during the hours that school is in session, unless excused as provided by this section.*

Per **Arizona Revised Statute §15-806**

subsection A - absences due to religious purposes, including participation in religious exercises or religious instruction. A pupil will be excused based on the following stipulations:

1. The person who has custody of the pupil has given written consent.
2. Any religious instruction or exercise takes place at a suitable place away from school property designated by the church or religious denomination or group.

subsection B - the excuse of pupils from school attendance for authorized school closure for the following reasons:

1. Widespread illness for any period of three consecutive days or more.
2. Adverse weather conditions for any period of three consecutive days or more.
3. Concerted refusal by students to attend classes for any period of three consecutive days or more.
4. Threats of violence against school property, school personnel or pupils for any period of one day or more.
5. Situations affecting the safety of persons or property resulting from fire, flooding or floodwater, an earthquake, a hazardous material event or another cause if approved by the

department of education.

Per **Arizona Revised Statute §15-807** absences (as well as tardies and early releases) are tracked daily, recorded and parents/guardians of children who are not at school are contacted within 2 hours of school starting.

Excused absences are identified by the Arizona Department of Education (ADE). Per **A.R.S. §15-901(A)(1)** The Arizona Department of Education defines an excused absence as an absence due to illness, doctor appointment, mental or behavioral health, homelessness, bereavement, family emergencies, time necessary to process for the armed forces, and out-of-school suspensions. Excused absences due to out-of-school suspensions must not exceed 10% of the instructional days scheduled for the school year. The Department of Education delegates the decision whether an absence due to family vacation is an excused absence to individual school districts and charter districts.

Parents/Guardians are expected to call the school to report absences or late arrivals. If you have to leave a message, please include the date, time, name of your child and reason they will be out or late. If your child is out and we are unable to reach you and you have not contacted the school, your child will receive an unexcused absence. If your child has ten (10) consecutive unexcused absences this will result in your child being withdrawn from school.

Students who arrive after school begins or leaves before school is out, may be marked absent for half day or full day depending on the time of arrival. Absences are based on minute requirements set forth by the state for each grade level.

Parents/Guardians of students with excessive absences (10% or more) will be required to meet with the child's teacher to create a plan for improved attendance. For the purposes of this policy, four (4) tardies and/or early releases will be considered one (1) absence.

Disciplinary Measures

A primary goal of Academy Adventures Midtown is to provide a safe and constructive learning environment for each student. A variety of disciplinary measures may be used to maintain that environment. Disciplinary proceedings are designed to provide the student more appropriate choices for the future. Staff members and the administration may use a variety of measures before formal disciplinary action is taken. All disciplinary measures are applied on an individual, student-by-student basis. ***The application of any disciplinary measure is not sequential, but based upon the most appropriate consequence in a given situation.***

The following disciplinary measures may be applied:

- **Redirection**
- **Time Away from Peers**
- **Parent/Guardian Contact**
- **Parent/Guardian and/or Student Conference**
- **Behavior Modification Plan**

The administration may suspend a student from school up to three (3) consecutive days due to the violation of selected school rules, policies and procedures. A student may be suspended for up to ten (10) days by school administration if disciplinary measures have been either exhausted or deemed inappropriate in a given situation. Conferences to determine this action shall be held with parents/guardians, the student and other involved staff members. Home learning and class assignments will be made available during the suspension. During any suspension, the student may not participate in any school activities; the student must remain off campus.

Drop Off & Pick Up

VISITORS, OBSERVERS, TOURS POLICY

Ed Ahead, Inc/Academy Adventures Midtown has an open-door policy. Adults, including parents of enrolled pupils and parents who wish to enroll their child(ren) at Academy Adventures Midtown, may visit, tour, and/or observe campus and/or classroom(s) during business hours without the need to schedule an appointment. The only exception to this policy is during formal, all-school testing times such as standardized testing. Those who wish to visit, tour, and/or observe the campus and/or classroom(s) must abide by the following practices:

1) Sign-In / Sign-Out Procedures - All adults on campus **MUST** sign in and out 2)

Visitor Stickers - All adults on campus must wear Visitor Sticker available at sign in

3) Dress Standards - Academy Adventures Midtown supports families and students with a comfortable environment for everyone who visits our campuses. Staff and families are role models for every new generation. We encourage visitors on our campuses to wear appropriate clothing. Clothing should cover midriffs, buttocks, and undergarments. Please avoid any clothing that is excessively short in length and too open around the neckline, back, or armholes. Academy Adventures Midtown will not deny attendance based on inappropriate dress.

4) Cell Phone - Please **turn off** your cell phone or switch the phone to vibrate while on campus.

5) Entering Classrooms - Please remember academic time is precious; therefore, enter the room quietly.

6) Observing - If the purpose of the visit is to observe, please be seated in the back of the room to begin your observation.

7) Student's Family Members - Many children are excited to have family members in the room and may disrupt the learning of others. Therefore, we ask that a child be acknowledged with a smile and unspoken greeting **only** and then redirect the child's attention to the teacher.

8) Teacher's Responsibility - A teacher is responsible for the school/class environment. If a teacher deems an adult/visitor is distracting to a student or students, he/she may ask the individual to leave.

9) Young Children (Baby, Toddler, Preschooler) - Please do not bring young children into the classroom.

10) Confidentiality - Anything an adult/visitor may hear or see may be considered confidential. We ask that these things are not discussed with others. Should there be an issue of concern, please bring the matter directly to the school administration. Things that

are considered confidential include but are not limited to:

- a) Student behavior or progress
- b) Personnel information
- c) Student records/grades
- d) Inter-office memos
- e) Names and phone numbers (unless specifically authorized for release).

12) Physical Displays of Affection with Children - It is best to avoid initiating physical contact with the students and limiting physical contact when initiated by a student.

Keep in mind some children do not like to be touched at all. (For example, an action as simple as a gentle hand on the back guiding the student could be an unwanted touch.) Staff may be able to communicate those children's needs or the child may back away after your touch. Please respect the child's wish to not be touched.

Physical or verbal contact with a child that makes the student feel uncomfortable communicated either by the student's words, actions or lack of response may be considered inappropriate.

13) Accidents / Injuries - An accident form must be completed when there is an accident or injury on campus. Forms are available from your child's teacher.

Family Conduct

Academy Adventures Midtown has a tradition of treating all members of the learning community with consideration and respect. Academy Adventures Midtown believes that all students, family members and staff have the right to a safe learning environment. Family members do not have the right to swear, threaten, aggressively confront or touch any child, staff or other individuals on school property. **In addition, please be aware of your language, tone of voice and actions while in the school building, at school events or on school grounds.**

Fire Drills

Fire and evacuation drills are held every month. Procedures are taught and practiced in preparation for fire or other emergencies.

Fundraisers

We appreciate all of your help with our various fundraising efforts. Your support helps the school support field trips and purchase additional equipment for the school.

Homeless Policy

The Arizona Homeless Education Program is dedicated to ensuring that all children and youth experiencing homelessness have access to the public education to which they are entitled under the federal McKinney-Vento Education of Homeless Children and Youth Assistance Act.

It is the policy of Academy Adventures Midtown to view children as individuals. Therefore, this policy will not refer to children as homeless; it will instead use the term children and youth in transition. Under federal law, children and youth in transition must have access to appropriate public education, including pre-school, and be given full opportunity to meet state and local academic achievement standards. They must be included in state and district wide assessments and accountability systems. Academy Adventures Midtown will ensure that children and youth in transition are free from discrimination, segregation and harassment.

Information regarding this policy will be distributed to all parents upon enrollment and once during the school year. Information will also be provided to a parent who seeks to withdraw their child from school. Posters will also be distributed twice a year in the surrounding neighborhood.

Our complete Homeless Policy can be found on our website.

Immunizations

State law makes it mandatory for parents/guardians to present evidence that their child has been protected against polio, diphtheria, pertussis, tetanus, mumps, measles and rubella. Immunization for Hepatitis B and second mumps, measles and rubella (MMR) is required. If your child has not been immunized, a medical, religious or personal exempt form must be on file.

Lice

A common problem on any school campus is head lice. Our primary concern is that head lice are easily transmitted from one student to another. Unless an infected student has all nits (egg sacks) removed, the lice will return. For these reasons, Academy Adventures Midtown recommends that students do not share hats, jackets, etc. Also, it is our policy that a student sent home for head lice must be completely nit free before returning to school and must be checked in at the office before returning to class. Routine checks for head lice are performed by school staff.

Lost & Found

Each year we give away boxes of sweaters, clothes, lunch boxes and other miscellaneous items to a charitable institution. Please be sure to put your child's name on everything they bring to school so they can identify them.

Lunch & Breakfast

Academy Adventures Midtown participates in the National School Lunch Program (NSLP) and also serves breakfast. These meals are offered at no charge. Students may also bring lunch to school (**we do not have the ability to heat lunches brought from home or the ability to refrigerate lunches or drinks**). Please clearly mark your child's lunch with their first and last name. Lunch brought from home must follow the NSLP guidelines, which includes, but is not limited to: no sweets, no chips, no sodas, etc.

Breakfast is served from 7:30 AM-7:55 AM. Students who arrive after 7:55 AM may not receive the full breakfast.

Medication

Parents/Guardians are required by state law to inform the school of medications that are to be taken by their child during school hours. Current dosage and the name of the supervising physician are needed. The school must receive written permission to administer medication. The school office has the required forms. Medications must be in the original pharmaceutical container. Medication is to be kept with administration. Medication is administered only at the times and dosage indicated on the pharmaceutical container. For the protection of your child and others, students who are ill should stay home. If a student becomes ill during the school day, a parent/guardian will be notified and asked to take the child home. Students are not permitted to have cough drops and/or any other over-the-counter medication on their person.

Pet Policies

The decision to have pets in our classrooms is made with great care. Pets of any kind require good care and their enclosures require cleaning. Some pets bite and scratch and may be frightened by children. A new child in the classroom may have allergies that require the pet to be removed from the facility. All of these issues require consideration before a decision is reached to allow a pet in our facility.

Pet Guidelines

Animals are chosen carefully for temperament and safety. We do not keep ferrets, turtles, iguanas, lizards or other reptiles, birds of the parrot family or any wild or dangerous animals. No pets from outside/home are allowed at Academy Adventures Midtown.

- No live animals are allowed in food preparation areas.
- Pet enclosures are not placed near areas where children eat or food is served.
- Children and adults wash their hands after handling or feeding animals.
- Children do not clean cages.
- All animals are properly cared for and provided clean water, appropriate food and clean cages.
- Food preparation/service facilities and supplies are not used to clean animal cages and aquariums.
- Animal food is stored separately from human food. Animal food is kept tightly

closed to prevent insect infestation.

- We plan for the care of pets during holidays, weekends and vacations.

School Hours

School begins promptly at 8:00 AM and ends at 3:00 PM. Please refer to the schedule of hours for attendance. Students who arrive late must be signed in by a parent/guardian before going to class. Parents/Guardians must sign in each child when their arrival is after 8:00 AM. On-time arrival at school along with prompt pick-up after school will contribute to creating a true measure of safety for each child and help develop a strong sense of responsibility for their own education.

Sharing

Academy Adventures Midtown prohibits students from bringing toys, electronic devices or personal items to school unless they have specific permission from the teacher and a note from the parent which states that the parent understands that the school is not responsible for the item. Please be aware that Academy Adventures Midtown is not responsible for lost, stolen or damaged items.

Smoke-Free/Drug-Free Campus

Academy Adventures Midtown is a smoke-free/drug-free campus. No smoking (cigarettes, cigars, e-cigs, etc) or drug use is permitted at any time on our campus, including the parking lot, at any school function or during school activities, by any student or adult.

Snack

Each classroom has snack time during the morning. Academy Adventures Midtown has partnered with Cakes for Causes, a non-profit organization, who supplies healthy treats to the school from time to time. In addition, there will be times that students have the opportunity to make healthy snacks. Students are permitted to bring in an individual healthy snack from home or families can donate snacks to the school to share. Academy Adventures Midtown is concerned that the food that families provide to students be healthy and nutritious in order to support the growth and development of the children. Students can drink water at any time during the school day. We know that eating vegetables and fruit and drinking water provides a great recipe for learning because it can improve energy levels, alertness and concentration.
